# GMC News for doctors

## New guidance to help you with reflection

New guidance has been published to support doctors and medical students in being reflective practitioners.

It has been co-produced by the Academy of Medical Royal Colleges, the Conference of Postgraduate Medical Deans, the General Medical Council and the Medical Schools Council.

## Supporting a profession under pressure

We're taking action to address the issues that have been raised with us about the environments in which doctors work, and the impact of systems pressures on medical practice. Visit our website to learn more about our priority work programmes and how you can get involved.

## #ablemedics - share your views by 20 September

There's just one week left to share your views on how to improve support for doctors with health conditions and disabilities. Short on time? Simply answer the questions that are most relevant to you by 20 September.

## Welcoming doctors to UK practice

Dr Sutapa Biswas is a Consultant Neurophysiologist at Chelsea and Westminster Hospital NHS Foundation Trust. On our blog she shares her experience of moving from India to work as a doctor in the UK, the challenges she faced and how our free workshops can support doctors new to UK practice.
